**T-155 Bali Paradise, Apa Kabar, 7 Night Stay Vacation Destination for 2**

\$3100

**Apa Kabar** – Located on the Indian Ocean, on the east coast of Bali. This is a one-bedroom with a loft. The loft has two futons, which could accommodate two teenagers. This area got electricity within the past 10 years. Don't expect television, telephones or even computer access (there is some very internet access, if necessary). Instead, expect a vacation like we talk about, but rarely enjoy. My wife said it was the most relaxed she's seen me in 28 years of marriage. Also, this isn't a white sand beach – it's mostly black lava rock. But there is incredible snorkeling and scuba diving right off the property. Absolutely fascinating area of the world with wonderfully gracious people. Many day trips are available to explore the rest of Bali.
