

## Early Childhood Faculty

Music Works Northwest is a non-profit community music school whose mission is to change lives through accessible music education and experiences. We are located in Bellevue just north of I-90 and west of I-405 off the SE 8th exit. Music Works NW is hiring one or more group class faculty members to teach our early childhood classes.

Qualified candidates should have fluency with, and the ability to teach one or more of the classes listed (descriptions below).

### **Baby and Me Music**

Welcome to the world of music! This brand-new class is designed for our youngest music lovers and their caregivers. Each class will include familiar songs and fingerplays, sensory experiences, songs and activities for caregiver-infant bonding, and movement songs for motor coordination and body awareness. In each class, we'll learn some of the "why's" behind what we do in class and learn simple ways to bring music into our homes – both for our child's enjoyment and for ours!

**Ages:** 0-2 years

**Day:** Saturday (10:00-10:45am)

**Dates:** starts mid-February (15 weeks)

### **I Love Music**

Children this age are so ready to explore and learn about their world! In this class for older toddlers, we will use music to learn about our world, play different instruments together, and discover new music concepts such as rhythm, pitch and melody. Parents and caregivers will play an active role in the music-making process and will learn ways to encourage a love of music at home.

**Ages:** 3-4
